

REMARKS/ARGUMENTS

By a preliminary amendment, filed concurrently herewith, applicant has made the claims of groups II through VI dependent upon claim 1, directly or indirectly. Claim 1 was also amended to clear up an antecedent basis situation.

By a preliminary amendment, filed concurrently herewith, applicant has made the claims of groups II through VI dependent upon claim 1, directly or indirectly.

In view of the amendment, putting all of the claims into Group I, it is respectfully requested that the Examiner reconsider his requirement for restriction.

Respectfully submitted
